

Dear comrades,

I would like to draw your attention to next year's 2nd multinational congress of military dentist in Hanover. As last year, we tried to organize a broad congress that would look at many different aspects of dentistry, especially military medicine.

The next congress will be extended by practical courses, which will take place in the afternoon of the first day. It is ensured that everyone can attend any course, a separate registration is not necessary.

This time I ask you to organize the accommodation yourself. Appropriate room contingents are available at different prices and all of them are nearby. I would ask you to try to find a room as soon as possible, as the rooms are only available for a limited time. For reservation please use the reservation code or the reservation number.

Here are the addresses of the hotels:
